

**REMARKS**

Claims 1-11 are all the claims pending in the application.

In the Action dated October 5, 2007, the Examiner indicates that claim 1 is allowable and that claims 2-3 and 8 would be allowable if rewritten in independent form. In addition, the Examiner objects to claims 4-7 and 10-11 as being in improper multi-dependent claims.

Claims 3, 4, 5, 6 and 10 have been amended to depend only from claim 1. It is respectfully submitted that each of claims 2-11 depend, directly or indirectly, for claim 1, and thus, these claims are patentable for at least the same reasons as claim 1.

In addition, claim 1 has been amended to change "the gap" to --a gap--, as suggested by the Examiner.

Accordingly, allowance of claims 1-11 is respectfully requested.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
